

**Eligibility criteria have been modified as:**

- a. The manufacturer/suppliers/vendors should have manufacturer/supplied 33/11kV or higher voltage power transformers of 5 MVA, 3ph. Outdoor, oil type; confirming to IS-2026 with, during the last five years period, preceding to the date of opening of this tender. The said transformers should have been giving trouble free service to the entire satisfaction of user/purchaser without any failure, at least for five years from the date of its commissioning, in Central or State Govt. or Semi-Govt. or Public sector units only.
  
- b. Testing facilities for carrying out the Routine test specified in specification should be available (in house) with the manufacturer of transformer.
  
- c. Following information should be submitted by the vendors/firms about the companies/units, where the above transformers (aggregate value of equivalent kVA) have been supplied. This is also required from all the vendors/firms for qualification of this offer.
  - (i) Name of the customer / company where the Transformer is installed.
  - (ii) Complete postal address of the customer where the Transformer is installed.
  - (iii) Date of commissioning.
  - (iv) kVA Rating of the Transformer.
  - (v) Name and designation of the contact person of the customer where the Transformer is installed.
  - (vi) Phone, FAX no. and email address of the contact person of the customer where the Transformer is installed.
  - (vii) Performance certificate from the customers regarding satisfactory Performance of transformer supplied to them as indicated above. The original performance certificate may be returned after verification by Railways, if required by vendor/firms.
