- A. Experience and expertise in IT Hardware and OS maintenance (above type servers of HP) in similar environment.
- B. Service Engineers with professional qualification, OEM trained and more than one year experience.
- C. List of personnel, with above qualifications and experience to be deployed in the AMC should be enclosed.
- D. Availability of critical spares of listed system and peripherals with their physical control.
- E. Firm should submit current performance statement of their Rs.5 lakhs p.a. and above value AMC customers.
- F. Firm must provide details Indicating Data Base Server and Customer's contract person name, phone no's etc. in a tabular form (one page only).

4.0 Scope of the AMC Coverage:

- 4.1 All the server equipment given in the enclosed schedule & their operational accessories to the AMC systems will be covered.
- 4.2 The AMC will cover all equipments comprising Hardware components, System Software, OS Software, pre-loaded software packages, Antivirus managements etc.
- 4.3 Additional systems will be added at any point of time, within the upper limits.
- 4.4 **Fully ON-SITE coverage** is expected. In exceptional cases, if the Machine(s)/accessories are required to be taken to the premises of the firm, proper stand-by provision should be made by them, so that (HQ. MODULE) MMIS WCR work does not suffer.

- 4.5 The WCR will not make any arrangement for transportation of defective Accessories, Equipment, etc, if required to be taken to premises of the firm for repairing and the same have to be arranged by the Firm at their cost.
- 4.6 Gate-pass for taking out the defective material(s) will be issued by COS office.
- 4.7 Restoration work of system will have to be done at the earliest opportunity including office holidays. Firm can request for special booking of WCR HQ. staff on office closed days, for carrying out these activities.
- 4.8 All repairs being free, except those caused by misuse, by users and fire from non-AMC listed sources.
- 4.9 Periodic cleaning of the exterior of the systems like fans, general dust accumulation, oily stains on Server, Cleaning of Server interior etc. This work has to be done with proper equipment like vacuum cleaners, brushes and safe chemicals etc. to be available with firm. Periodicity of these works will be with preventive attention schedule.
- 4.10 Virus Management: If there are any virus attacks in between the same will be rectified by AMC contractor.

5.0. FULLY COMPREHENSIVE:

- 5.1 The AMC will be of fully comprehensive coverage type. It will cover all services & spares required, except those specifically excluded to keep the systems in their best working condition.
- 5.2 All hardware items found defective shall be replaced free of cost by the firm.
- 5.3 All parts of the system will be included in the comprehensive coverage.
- 5.4 Any items, if excluded by the firm, must be clearly indicated but may not be agreed to by WCR. For such items, coverage rates linked to market prices must be separately quoted.
- 5.5 Repairable parts will be part of the comprehensive coverage.
- 5.6 All spare parts supplied, as part of AMC, should confirm to the OEM of the particular system.
- 5.7 Suitable OEM arrangements to be ensured for spares. All replacements of parts will have to be with equal or higher specifications.
- 5.8 Maintenance service shall consist of both preventive and corrective maintenance of all Equipment.

6.0 PREVENTIVE MAINTENANCE:

Preventive maintenance shall include:

- 6.1 Preventive maintenance shall include checking of general system (HW & SW) health and vacuum cleaning of interiors and exterior, fans, etc.
- 6.2 Preventive maintenance should be done at least every 1 month.
- 6.3 The Schedule (day/timings and down time allowed) for such preventive maintenance will be decided in consultation with "MMIS cell" authorities.
- 6.4 Completion Reports will include preventive schedule.

7.0. CORRECTIVE MAINTENANCE: Corrective maintenance shall include

- 7.1 Rectification of faults in case of total failure of the system and its peripherals and equipments,
- 7.2 Rectification of any malfunctioning of the equipments and the System Software like Operating System Software.
- 7.3 Supply of all spare parts and replacement of defective parts.
- 7.4. Immediate standby arrangement, if equipment accessories to be taken at firm premises for repair/corrective action if any.

8.0 INFORMATION CHANNELS FOR FAULT REPORTING:

- 8.1 On-site Engineer's name, Phone nos./Fax no./mobile no./E-Mail address.
- 8.2 In case of faults reporting, firm should provide their hunting/emergency phone no. / mobile no. etc.
- 8.3 A sticker with above details is to be pasted on the system for information of users. Complaint no. registration/call logging must be provided by the firm during full working hours.
- 8.4 Formats of maintenance logs, reports and certificates for billing and payments will be formalized.
- 8.5 Complaints shall be reported to firm either over telephone or in writing in the format prescribed by firm to enable firm to take speedy corrective action.
- 8.6 Complaints shall be recorded in the Register maintained at DyCMM/Elect. to enable firm to take speedy corrective action regarding any complaint.
- 8.7 The Register which will be used for detailing the nature of the complaints by the CUSTOMER must include provisions of logging in of the time of the complaint, time at which it was attended by the firm and the CUSTOMER's acknowledgement of timely and successful elimination of the problem.
- 8.8 Where the CUSTOMER has to contact firm at their offices at Jabalpur at the address set out above, either by telephone or by FAX, the one hours period (Response Time) shall deem to have begun from the time of despatch of message and this timing shall also be certified by the firm Engineer present at EDP Centre, DRM Office, Jabalpur.

9.0. DATA SAFETY:

- 9.1 Before undertaking major repairs, the firm should ensure safety of user data. If required, the firm should have suitable back-up arrangements. (e.g. imaging the HDD).**
- 9.2 To minimize the disruption of office work due to OS problem etc., firm should use disk partitioning and imaging tools to keep good working state image of the OS partitions, in fixed or removable media. These images should be used to quickly restore the system to working state. The firm should load back all the legal software packages available with user.
- 9.3 In addition to data safety firm should maintain secrecy of information while handling data of RISC Server.

10.0. HOURS OF SERVICE:

- 10.1 Firm shall provide required support services by way of actual maintenance by firm Engineers during the shift operation (09:30 hours to 18:00 hours).
- 10.2 Maintenance service shall be provided six days a week and keep the equipment in good and efficient working order during the contract period.
- 10.3 Maintenance service is normally not required on Sundays and Gazetted Holidays.
- 10.4 Occasionally, as needed, Firms engineer will attend complaints at the EDP Centre, DRM Office, West Central Railway, Jabalpur beyond the stipulated duty hours, and on holidays/Sundays.

11.0. RESPONSE & REPORTING:

- 11.1 Any problem reported to the firm shall be responded by the firm within one hours of reporting and resolution time 4 hours (on same day) must be arranged to make the system operational so that the "MMIS" work is not affected adversely.

12.0. CRITERIA FOR FAILURE CALCULATION AND CORRESPONDING PENALTY:

- 12.1 Firm accepted the contract at the rate of 10% of the original cost of the equipment with penal charges of 0.25% of the AMC charges, subject to maximum penalty not to exceed 0.25% of AMC value for the year.
- 12.2 If Rlys wants the service of firm Engineer outside the two shift operations. The firm shall make available to the Rlys such services on mutually agreed terms.
- 12.3 Records of such delays will be maintained along with the date and time of reporting and attending a complaint and these will be endorsed by the attending Engineer from firm.
- 12.4 The downtime starts from the time of fault reporting and will stop at repair/stand by provision. Downtime registers to be maintained by HQ. for respective servers available with them.
- 12.5 Failure on the part of firm to provide maintenance support services as contemplated above shall entitle WCR to recover from firm extra cost that WCR may be put to both by way of computer time hired from outside agencies for performing its jobs and maintenance of computer hardware by another agency or as an in house effort.**
- 12.6 The amount recoverable from firm shall be determined by WCR who shall have the right to adjust such amount from any dues payable by any of the organization of the Indian Railways to firm, in the event of firm failure to settle WCR 's claims in this regard within a reasonable period.

13.0 OTHER TERMS AND CONDITIONS

- 13.1 The firm undertakes to keep ready at all times a group of higher level designated experts, who can be rushed to CUSTOMER as and when required.

- 13.2 Either party shall not assign or sublet its obligations under this agreement or any part thereof without the other's written acceptance.
- 13.3 The Offer/contract will be governed by the "General Condition of Contract" as applicable to WCR.
- 13.4 In case of any dispute, Controller of Stores decision will be final.

14.0 PAYMENT TERMS:

- 14.1 Bill passing officer will be AMM (MMIS)/WCR/JBP and bill paying officer will be FA&CAO/WCR/JBP.
- 14.2 Maintenance charges commence from the contract effective date and shall be payable at the end of half yearly on prorated basis.
- 14.3 Payment will be done any after satisfactory maintenance of remarks certified by AMM/MMIS.

15.0 SECURITY DEPOSIT:

- 15.1 The Security Deposit / rate of recovery /mode of recovery shall be as under:
- (i) Security Deposit for the work will be 5% of the contract value.
 - (ii) The rate of recovery will be at the rate of 10% of the bill amount till the full security deposit is recovered,
 - (iii) Security Deposits will be recovered only from the running bills of the contract and no other mode of collecting SD such as SD in the form of instruments like BG, FD etc. shall be accepted towards Security deposits.
- 15.2 Security Deposit shall be returned to the contractor after the expiry of maintenance period and after passing the final bill based on no claim Certificate as certified by the competent authority. The Competent Authority shall normally be the authority who is competent to sign the contract. If this Competent Authority is of the rank lower than JA Grade, then a JA Grade Officer (concerned with the work) should issue the certificate. The certificate inter-alia, should mention that the work has been completed in all respects and that the contractor has fulfilled all the contractual obligations and that there is no due from the contractor to Railways against the contract concerned. Before releasing the SD, an unconditional and unequivocal no claim certificate from the contractor concerned should be obtained.
- 15.3 No interest will be payable upon the Security Deposit or amounts payable to the Contractor under the contract.

16.0 PERFORMANCE GUARANTEE:

- 16.1 The successful bidder should give a Performance Guarantee in the form of an irrevocable bank guarantee amounting to 5% of the contract value, in favour of FA & CAO West Central Railway/Associated finance officer.
- 16.2 The Performance Guarantee should be submitted by the successful bidder after the letter of acceptance has been issued, but before signing the agreement. The agreement should normally be signed within 15 days after

issue of Letter of Acceptance and the Performance Guarantee should also be submitted within this time limit. This Guarantee should be initially valid up to the stipulated date of completion plus 60 days beyond that. In case the time of completion of work gets extended, the contractor shall get the validity of Performance Guarantee extended to cover such extended time for completion of work plus 60 days.

- 16.3 The Performance Guarantee shall be released after the physical completion of the work based on the completion certificate issued by the competent authority stating that the contractor has completed the work in all respect satisfactorily. The security deposit, however, shall be released only after the expiry of maintenance period and after passing the final bill based on no claim certificate,
- 16.4 Wherever the contract is rescinded, the security deposit shall be forfeited and the Performance Guarantee shall be encashed and the balanced work shall be got done independently without risk and cost of the failed contractor. The failed contractor shall be debarred from participating in the tender for executing the balance work. If the failed contractor is a JV or a partnership firm, then every member/partner of such a firm shall be debarred from participating in the tender for the balance work either in his/her individual capacity or as, a partner of any other JV /partner ship firm.
- 16.5 The Engineer in charge shall not make a claim under the Performance Guarantee except for amounts to which the President of India is entitled under the contract (not with-standing and or without prejudice to any other Provisions in the contract agreement) in the event of -
- (i) Failure by the contractor to extend the validity of the Performance Guarantee as described herein above, in which event the Engineer in charge may claim the full amount of the Performance Guarantee,
 - (ii) Failure by the contractor to pay President of India any amount due either is agreed by the contractor or determined under any of the clauses / conditions of the agreement, within 30 days of the services of notice to this effect by Engineer in charge.

17.0 TERMINATION OF CONTRACT:

- 17.1 In the event of firm conveying to CUSTOMER their desire to discontinue maintenance and arrangement of supply of spare parts for the server hardware under this contract, The firm shall give CUSTOMER at least one year prior notice of such discontinuance, during which period CUSTOMER or a third party nominated by CUSTOMER shall have right to raise orders for life time requirement of kits of parts and spare parts on terms and conditions to be mutually agreed upon by the parties.
- 17.2 The contract can be terminated by the railway administration by giving one Quarter prior notice.

18.0 CARE OF EQUIPMENTS:

- 18.1 CUSTOMER shall give the firm full access to the equipment to enable to provide maintenance service and will make available to the firm an appropriate staff who is familiar with the CUSTOMER's programs and will provide suitable. Working space, facilities and suitable safe storage for maintenance of equipments and spare parts.
- 18.2 The CUSTOMER will take care of the equipment, house it in suitable Conditions and follow such instructions on these matters and observe instructions as given by firm from time to time.
- 18.3 Any need for alteration, attachment, Repair, adjustments and shifting of equipment will be intimated and made in consultation with firm.
- 18.4 No equipment or part there of shall be moved except by firm or with firm written consent.
- 18.5 The firm will be prepared to move the place of original installation into a different place or locations, if so desired by the customer provided 15 days written notice in advance is given in that behalf by the CUSTOMER.
- 18.6 All costs, charges and expenses in respect of moving the equipment or part thereof including costs, charges and expenses for dismantling, reinstallation, testing and commissioning shall be payable by the firm.

20.0 NOTICES:
