CONDITIONS:

- i) 100% payment against receipt and acceptance of material by consignee.
- ii) Inspection by RITES. Inspection will be carried out at original brand manufacturer's factory premises only & delivery shall be made directly to the consignee from the place of inspection. Firm must confirm the same & mention the address of original brand manufacturer's factory premises where the offered products are being manufactured in their offer failing which offer will be summarily ignored. Railway reserves the right to inspect the address & confirm the genuineness of the information provided by the tenderer. In case information is found to be false or misleading, the firm / brand shall be blacklisted.
- iii) Firm to submit 4 identical samples of the each offered product with molded name / logo of the original brand on the product before opening of tender failing which offer will not be considered at all. Samples submitted after tender opening will not be considered at all and the offer will be summarily ignored.
- iv) Offers other than the above original branded models will be summarily ignored.
- v) Offers from only original brand manufacturers or their authorized agent will be considered. Authorized agent must submit along with their offer current/latest (not older than 15 days as on date of tender opening) authorization letter in original from the original brand manufacturer clearly authorizing the firm to quote on their behalf for this particular tender failing which offer will be summarily ignored. The railway reserves the right to confirm the authorization directly from the original brand manufacturer. The order shall be placed on authorized agent only and not vice versa in case the offer is received from authorized agent.
- vi) The supplies shall be accompanied with original invoices of the supplied item from the original brand manufacturer, if the tender is awarded in favour of authorized agent in order to avoid supply of duplicate product. Authorized agents must confirm the same in their offer failing which offer will be summarily ignored.
- vii) The entire supply shall be made in one colour combination only to match the uniformity requirement. Firms must confirm the same in their quotation failing which offer will be summarily ignored.
- viii) Each water bottle must be packed in original individual company printed polythene bag & company printed box before finally packing in cartons for transportation. Firm must confirm this condition failing which offer will be summarily ignored.
- ix) Offer must contain declaration from the original brand manufacturer that all plastic raw material used to manufacture their water bottle are of VIRGIN QUALITY failing which offer will not be considered at all.
- x) Each bottle shall be printed with INDIAN RAILWAY LOGO.
