

Reg. No. [REDACTED]

ANNEXURE-I

As per RDSO Specification No MP.0.24.00.26 (rev0.06) MAR 2010

S.No	Model No	Description	Qty/ Loco
1	MEP660V3	Control unit with mounting bracket and hardware	1
2	MDS739	Display unit with mounting bracket and hardware	1
3	MDS719	Analog distribution unit with mounting bracket and hardware	3
4	MDB 720	EPM distribution unit with mounting bracket and hardware	1
5	MVS 801	Voltage sensor-801 with mounting bracket and hardware	4
6	MVS815	Voltage sensor-815 with mounting bracket and hardware	1
7	MCS820	Current sensor-820 with mounting bracket and hardware	6
8	MCS10A	Current sensor-10A with mounting bracket and hardware	4
9	MCS803	Current sensor-803 with mounting bracket and hardware	3
10	MCS850	Current sensor-10A with mounting bracket and hardware	1
11	SST818	Speed sensor-T818 with mounting bracket and hardware	6
12	MRA 710	Relay Assembly with head light with mounting bracket and Hardware	1
13	MMF705	Memory freeze cum VCD disable unit with mounting bracket and hardware	1
14	MS1761	Speed sensor inter face unit with mounting bracket and hardware	1
15	ESS 1&2	Engine speed sensor with mounting bracket and hardware	2
16	MPS 841	Pressure sensor for Air compressor with mounting bracket and hardware	1
17	MPS842	Brake pipe pressure & brake Cylinder pressure sensor with mounting bracket and hardware	2
18	MPS843	Altitude pressure sensor with mounting bracket and hardware	1
19	MPS844	Lube Oil pressure sensor with mounting bracket and hardware	1
20	MPS 845	Booster air pressure sensor with mounting bracket and hardware	1
21	MPS846	Fuel Oil pressure sensor with mounting bracket and hardware	1
22	MPS847	Pressure sensor- EWP with mounting bracket and hardware	1
23	MTS8450	Temperature sensor- 8150 with mounting bracket and hardware	3
24	MRP 703	Resistor Unit with mounting bracket and hardware	1
25	CGR	Control Ground Resistor 50 Ohms/300W Make Sirveen with mounting bracket and hardware	1
26	PGR	Power Ground current limiting Resistor 100 ohms/800W Make Sirveen with mounting bracket and hardware	1
27	FCP	Field Control potentiometer panel (EPT Panel).For Medha Microprocessor Loco Make Sirveen with mounting bracket and hardware	1
28	EXD23	Exciter Field Diode with Surge Suppressor Capacitor Make Sirveen	1
29	LAR	Load ammeter Resistor Panel Make Sirveen	2
30	GRCO	GRCO2 Pole Assly with Mounting Bracket and Hardware	1
