Contents

- ❖ Study Materials, Videos, Presentations for
 - Track Maintainer
 - Gateman
 - Keyman
 - Mate

Topics covered

- ❖ Availability of various safety circulars.
- ❖ Personnel Safety
- ❖ Worksite safety
- ❖ Protection during emergency
- ❖ LC, points & crossings attention.
- ❖ Small track machines.
- ❖ Track machines.
- ❖ Questionnaire.
- ❖ Rail dolly protection
- ❖ Chamfering bolt holes.
- ❖ Greasing of ERCs.

Benefits

- ❖ Well-positioned, multi-purpose kiosks can improve the trainee's experience.
- ❖ Kiosk can help to prevent multiple trips to several departments for certain information and resources – similarly, they can reduce queuing times.
- ❖ Study material, additional videos and presentations have been incorporated to provide greater assistance to trainees.
- ❖ Reduce work load and paperwork in training.
- ❖ Interactive kiosks are capable of providing educational as well as logistical and practical advantages for trainees.
- ❖ Using Kiosk effectively can also greatly increase efficiency for track maintainers.
