Sub: - Provision of PC and Internet connection for implementation of GST.

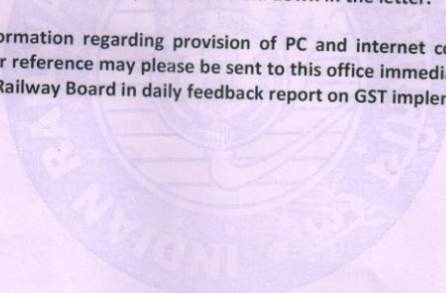

Ref: - Railway Board's letter no. 2017/C&IS/Project/GST Module/6 Pt.
Dated 09-06-2017. This office letter of even no. dated 14-06-2017

With reference to above, C & IS directorate of Railway Board has desired provision of additional requirement of PC and Internet connection for compliance of GST at the workplace where non computerized earnings i.e EFT, BPT, Parcel invoices, catering, parking, way leave charges, IMC, plot rent, auction sales etc are to be entered manually into the system.

CRIS will provide prescribed format for Non-Computerized transaction in recent coming days on its website. It will be very necessary to capture such transaction in prescribed format.

You are requested to ensure necessary hardware and internet connection at every invoicing / billing centre of your jurisdiction. The PC and internet connection are to be provided as per specification laid down in the letter.

Information regarding provision of PC and internet connection in terms of letter under reference may please be sent to this office immediately. The same has to be sent to Railway Board in daily feedback report on GST implementation.
