General Managers
All Zonal Railways/Production Units
Sub :- GST Training/Handholding sessions.

A training seminar on GST related issues is being conducted on 23rd August 2018. This will be conducted by GST Consultants of Ministry of Railways. GST Consultants will be imparting training on 23rd August, 2018 (Thursday) from 10.00 (am) sharp to 13 hours in the Committee Room, 2nd Floor, Railway Board.

The training session will have special emphasis on GST issues related to Railway's business processes. It is proposed to link all Railways and Production Units through Video Conferencing Facility (VCF), for the benefit of all the Zonal Railways/Production Units.

This being the first phase of the training, instructions may kindly be issued to ensure that the seminar is attended by all members of the GST Cell of Railways and Production Units. Participation of all key officers, at SAG/JAG level, dealing with taxable transactions (input and output) is critical for building capacity to address GST related issues on Railways. The Railways also need to prepare for GST Audit. This issue will also be covered during the training. The learning of this training session and subsequent training sessions would also need to be disseminated to field level offices of Railways for adequate capacity on GST related issues at all levels. Your cooperation in ensuring full participation in these trainings would be greatly appreciated.
