Applications are invited from interested and willing retired gazetted officers from all over Indian Railways (Jr. Scale/Sr. Scale) who fulfill the terms & conditions as mentioned below. They may apply for re-engagement against Junior Scale post as Consultant accepting the following terms & conditions:-

2. Terms & Conditions:-

   i. The engagement of Consultant shall not be considered as a case of re-employment.
   ii. Maximum age limit of the re-engagement shall be 65 years.
   iii. The period of engagement shall be initially for one year and further extendable as per requirement of the administration
   iv. Suitability/Competency of the retired officer shall be adjudged before such re-engagement by a committee of three PHODs/CHODs/SAG officers.
   v. While re-engagement such officers, medical fitness of the appropriate category shall be obtained from the designated authorities as per existing practices (as done in selection from Group C to Group B).
   vi. Re-engaged officer shall not be entitled for requisites such as HRA, CCA, Transport Allowance, Residential accommodation, etc. However, when required to travel in connection with official work, TA/DA admissible to regular employee working in the same Grade will be admissible.
   vii. Monthly remuneration of a retired officer being re-engaged will be determined by reducing Pension from his/her last pay drawn (i.e. Basic Pay+DA) in case of retired Jr.Scale officer and by reducing pension from his/her last pay drawn (i.e. Basic Pay+DA) by the officer in Jr. Scale just before the promotion to Senior Scale minus the pension of the retired officer in case of retired Sr. Scale officers respectively. For absenteeism, the remuneration will be deducted proportionately.
   viii. 12 days leave in a calendar year on pro-rata basis is admissible.
   ix. The designation shall be Consultant followed by (trade name) as indicated above.
   x. Re-engaged officer shall be discharged immediately on joining of selected candidate(s)
from UPSC or departmental selection or as per the recommendation of PHOD/CHOD concerned.

xi. Re-engaged officers shall be given responsibilities like inspections, supervision, drawing etc. Detailed day to day duty list has been prepared by respective PHODs which is attached with this notification and the re-engaged Office shall work under the guidance and command of assigned Controlling Officer.

xii. The consultant shall not divulge any information gathered by him/her during the period of assignment related to the organization to anyone who is not authorized to know/have the same.

xiii. They will not be made incharge of the unit like Branch Officer in the Division or independent incharge in the Construction Unit.

xiv. Re-engaged officers shall not be given the financial and D&AR powers and shall not be authorized to issue any safety certificate.

xv. The Administration will have the right to transfer re-engaged officers within jurisdiction of WCR in Administrative exigency.

xvi. The advertised vacancies and conditions shall be subject to change depending upon administrative requirement.

xvii. This scheme is experimental in nature and valid for 2 years from the date of issue of Railway Board’s letter dt.25.10.2018 in reference (1).

xviii. Reservation policy will not be followed in re-engagement and no weightage will be given to retired officers of reserved community (SC/ST/OBC), but their applications are also invited.

3. How to apply:

The retired Railway Gazetted Officers (Jr. Scale/Sr. Scale) intending to join as Consultant through re-engagement should apply on prescribed format (enclosed as Annexure – A) and submit the same alongwith required documents viz. self attested photo copy of P.P.O., Service Certificate and 04 copies of recent passport size photograph on or before 21 days of issuance of this notification. Detail of Notification including Term of Reference(ToR) is also available on WCR’s website http://wcr.indianrailways.gov.in

4. Whom to apply

The retired Railway Gazetted Officers(Jr.Scale/Sr.Scale) should apply for re-engagement in the prescribed format addressing the application along with self attested documents to Dy. CPO(Gaz), General Manager’s Office, Personnel Branch, West Central Railway/Jabalpur (M.P.)-482001 on or before 21 days of issuance of this notification.

Term of reference for Consultant - Electrical

Consultant (Electrical) is the officer in immediate charge of:

- He is responsible for the proper and efficient functioning of all equipment under his control, and the standard of workmanship of repair and maintenance work.
- He is also responsible for dealing, on behalf of the Electrical Department, with all technical and organizational matters connected with the operation of electrical assets.
- Efficient and safe upkeep and operation of the installations in accordance with the prescribed schedules including detailed planning of all maintenance works.
- Personal and periodical checking of the breakdown organization to ensure that it is in good fettle to deal with all breakdowns.
- Prompt implementation of instructions received from time to time including those contained in Inspection Notes of superior officers and keeping record of action taken against each item.
- Effective co-ordination with officers and staff of other departments in matters that warrant joint action and similar co-ordination with officers of contiguous sections.
- Preparation of preliminary plans and estimates for works and scrutiny of plans and estimates for works of other departments in the section so far as they affect the system.
- Any work assigned by Sr. DEE.
- His chief duties under various wings of Electrical department is as under:

(1) Specific duties for TRD:

a. Maintenance & operation and safety of all power supply installations, overhead equipment (OHE) and RC equipment in his jurisdiction and is answerable to Sr. DEE in all matters connected therewith.

b. He should ensure that Traction Power Controller (TPQ takes effective and prompt action to restore services in the event of power supply interruptions or other failures of the distribution system affecting train services.

c. Close liaison with power supply authorities to ensure continuity of power supply.

d. Careful and prompt investigation of all recurring or major power supply interruptions and equipment failures and initiation of appropriate remedial
e. Careful scrutiny of statistical and other periodical returns before submission to Sr. DEE (TRD) and taking appropriate corrective action.

f. Study the pattern of energy consumption and maximum demand figures in relation to the traffic handled and initiation of appropriate measures;

g. Inspection of his jurisdiction as under:
   1. Detailed visual inspection of the OHE in his section from observation dome/roof of OHE Inspection Car once in six months. Similarly inspection from cab of locomotives shall also be carried out.
   2. Detailed inspection of traction sub-stations, switching stations and other power supply installations, in particular, protective gear, once in 3 months.
   3. Frequent surprise checks of maintenance gangs at work including gangs working at night. The musters for casual staff, if any, should be checked and initialed.
   4. Random check of the procedure followed for imposition of power Blocks to verify that all prescribed safety rules are being rigidly followed.
   5. Periodic inspection of subordinate offices, including stores, at least once in six months.
   6. Current Collection Test over his entire jurisdiction at least once in six months.
   7. Co-ordination, monitoring, inspection of ongoing electrification works in his jurisdiction.

(2) Specific duties for TRO:

a. Maintenance & operation and safety of all electric locomotives and electric multiple units (EMU) stocks outside the electric loco shed in his jurisdiction and is answerable to Sr. DEE in all matters connected therewith.

b. Plan the requirements of locos to meet traffic requirements and preparation of loco links to suit traffic requirements;

c. Plan/review of the requirement of crew every six months;

d. Maintain close liaison with the Operating Department officials and keeping himself fully conversant with operating problems and evolving counter measures to get over them so far as electric stock is concerned. Ensure maximum utilization of locos by watching detentions, taking on additional services, improving the engine links etc.;
e. Make available locos as well as running staff as required for traffic and keeping a watch over train operations and making suggestions for better utilization of available stock:
f. Keep himself fully posted with the technical details of the electrical equipment on rolling stock so as to give guidance to the Drivers of locos in case of failures of equipment to give first aid attention, and arranging relief when required, so that normal working may be restored with the least possible delay;
g. Ensure by periodical and surprise inspections that rules and procedures laid down in the General and Subsidiary Rules, Manual of AC Traction, departmental codes and orders and circulars issued from time to time are being complied with by all staff under him and that they are performing their allotted duties efficiently;
h. Ensure efficient and safe operation and running maintenance of the rolling-stock under his charge in accordance with the prescribed rules;
i. Prompt and careful investigation of electrical rolling-stock failures and furnishing of necessary details to the maintenance shed for taking remedial action. Failures causing detention of more than 30 minutes or other unusual occurrences shall be investigated jointly with Sr.DEE (RS) in-charge of the loco shed. Appropriate remedial action should be taken by himself if the failure is attributable to lapses of running maintenance or defective operation;
j. Organize, in co-operation with the Operating Department, the timely withdrawal of electric rolling-stock for maintenance attention in accordance with prescribed maintenance schedules. Liaison with the PPO of the shed for this purpose;
k. Compile prescribed statistical information on electric rolling-stock, performance and utilization and their timely submission, after proper scrutiny, to PCEE and other concerned officers;
l. Maintain watch over the punctual running of electrically hauled trains and report of serious lapses to the Divisional Railway Manager;
m. Give requisite technical guidance to Operating Department officers and staff in regard to the special techniques involved in the operation of electric rolling stock;
n. Train and, examine for competency of electric running staff, watch over their performance and arranging refresher courses for such staff;
