Sub: Policy for allocation of Bangladesh Railway (BDR) quota.

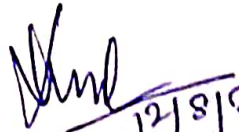

Ref: ED/TT(F), Railway Board letter no. 2021/TT-VI/71/BDR/04/Quota dated 10.08.2022 (CP 200).

Railway Board allots monthly quota to each zonal railway for loading of commodities (Food grain, Wheat, Rice, Maize, DOC etc.) for Bangladesh via Darshna, Benapole, Rohanpur, Birol and Chilahati on the last day of the previous month.

Policy for quota distribution is as under-

- 1- Allotment of quota for loading for Bangladesh Railway (BDR) will be done on the basis of commodity wise zonal ODR.
- 2- As the allotment of quota for Bangladesh Railway for food grain traffic is commodity specific like Wheat, Rice, Maize etc. thus-
 - a. Allotment will be done on zonal ODR basis for each commodity separately as per quota received from Railway Board.
 - b. If separate quota is received for 'Food grain' along with Wheat, Rice, Maize etc. then in such a situation indents pertaining to those commodities {sub commodities of food grain as defined in Group 9 (General Classification of Goods) of IRCA- Goods Tariff No. 49, Part I (Vol. II) & Part II} for which separate quota has been received, will not be considered for loading against quota for 'Food grain'. In other words, loading against Food Grain quota will be considered for only those commodities (sub commodities of food grain) for which separate quota has not been issued.
 - c. Central Control will maintain the record of commodity specific indents for commodities Food grain, Wheat, Rice, Maize etc. for BDR along with date and time.
- 3- In case of cancellation or withdrawal or forfeiture of any indent for BDR, the subsequent indent as per zonal ODR will be considered for the allotment.
- 4- As soon as quota is received from Railway Board, the same will be forwarded to the divisions by the Central Control.
- 5- Chief Controller (In-charge), Central Control will put up the relevant records like indent position, quota received from Board, restriction if any etc. with CFTM/PCOM for quota distribution and after approval the same will be intimated to the concerned division. Allotment of rakes will be done by Sr. DOM / DOM accordingly.
- 6- The policy is implemented with immediate effect.

This has the approval of PCOM/WCR.
