प्रस्तावना

Management of disaster revolves around preparedness, mitigation and response. In the railways, planning and steps to be covered for prevention of disaster has been covered in the Corporate Safety Plan. The Disaster Management Plan covers the various aspects of relief, rescue and restoration in a scientific and systematic manner.

I would like to express my sincere gratitude to General Manager, Shri Ajay Vijayvargiya for his valuable guidance provided in the publication of the 10th edition of the Disaster Management Plan which is being published in two parts now.

I am thankful to my team led by Shri P.Nimbalkar SME(Safety) and for their all out efforts to make this edition more useful to various departments and field staff of WCR.

I hope that publication of the 10th edition of the Disaster Management Plan of West Central Railway will be helpful to every Railwaymen in handling the disasters on the Railways effectively and efficiently in all respects.

We earnestly hope that we may never be required to invoke provisions of this Disaster Management Plan, nevertheless it is worth remembering that the more we prepare and drill ourselves in all related aspects, greater are the chances of rendering expeditious and effective rescue and restoration operations during any disaster.

Any suggestions for further improvement in the next publication are welcome. The Disaster Management Plan can also be seen on the website www.wcr.indianrailways.gov.in.

3.2 MUTUAL ASSISTANCE IN CASE OF A DISASTER:

As per the disaster Management Act, various ministries and departments under Government of India should join hands for mutual assistance in case of a disaster. Assistance from local government and non-government agencies is invariably required by the railway administration for prompt relief and rescue operation in case of disasters affecting railways and, therefore, assistance of NDRF could be of great help to the railways. The rail infrastructure is not in an island away from the civil areas (of the District/States). In cases of a disaster, other than a train accident, the State Governments as well as the Zonal Railways would, therefore, requisition the NDRF simultaneously (for the same disaster). Coordination amongst the affected agencies (many departments of the Central Government and the State) is very important before the help of NDRF is required.

3.3 NATIONAL DISASTER RESPONSE FORCE (NDRF):

National Disaster Response Force is the Key Responders in any disaster situation.

In serious situations, the resources of all NDRF battalions on and as required basis, will be concentrated in the shortest possible time in the disaster affected areas. Other important responders

will be the Civil Defence, Home Guards and youth organizations such as NCC, NSS and NYKS. The deployment of the armed forces will also be organized on and as required Basis. Establishment / raising of NDRF should progressively reduce deployment of the Armed Forces. However, Armed Force should be deployed only when the situation is beyond the coping up capacity of State Government and NDRF.

3.4 LOCATION, CONSTITUTION AND FUNCTIONS:

These have been formed under the Disaster Management Act at 12 selected locations in the country for dealing with relief and rescue operations related to all types of disasters. Each Battalion has 06 Companies comprising of 03 team. Team comprises of 45 men out of which 24 are for Search & Rescue and balance 21 for support functions. These battalions are also equipped to handle NBC (Nuclear, Chemical and Biological) Disasters

3.6 FORMAT FOR SEEKING NDRF HELP IN CASE OF DISASTER

The Commandant,
NDRF, 11th Battalion, Maqbool Alam Road,
VARANASI- 221002 (U.P.).
Fax No. 0542-2501101

Sub: Request for deputing NDRF personnel for relief and rescue operation.

Dear Sir,

There has been serious accident on West Central Railway over é é é é é é é é é .. division
on é é é é é é .é é é é é Station in é é é é é é é é é é .. section at
é é é é é é é é é . hrs. on é é é é é é é é é

From the information received till now it appears that the accident is of a serious nature and
could lead to large number of casualties. Although Railways are making all the efforts to take up relief
and rescue operations, it is felt that the participation of the NDRF personnel could be of great help in

speeding up the process and reducing casualties. In the view of this you are requested to immediately depute adequate number of men from your battalion with necessary relief equipments to the accident site at the earliest. The movement of your battalion indicating the time and route of travel from place to the accident site maybe intimated to the undersigned by *E-mail/FAX so as to ensure adequate coordination. You are also requested to indicate the contact No. of the senior most personnel who will be traveling with the NDRF Group. Detailed information about accident is furnished herewith in separate enclosures in Annexure- 1.

3.7 COORDINATION WITH NDRF:

There are no charges for availing the services of NDRF except the rail transportation which railways may provide at their cost for attending to rail disasters. Railways may also have to provide rail transportation logistics for transporting NDRF even in case of non-railway exigencies.

The Railway Board had earlier empowered DRMs to directly requisition the relevant NDRF battalion for relief and rescue operations depending on the gravity of situation so that their services could be made available expeditiously without any loss of time.

Å Methodology for seeking co ordination from state government -

When any accident falling within the category of section 113 of Indian Railway Act 1989, occurs the DRM will draft a message containing the details of accident and address it to the District Magistrate and other officials of SGRP, Army command Hq. etc. Such telephonic / fax message sent to Head Quarters and the state Government as mentioned above shall be confirmed by post.

The district authority will act as the district planning, co ordinating and implementing body for Disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the National Authority and State Authority.

District wise contact details of all three divisions are given in Disaster Management Booklet Part II to contact in case of disaster.

• Vulnerability profile-

1. Inflammable goods like petrol, LPG carrying trains are plying through all divisions of WCR .In case of any disaster with such train the contact details of various agencies like BPCL, IOC ,HPCL are given in part II booklet for reference.
2. In the Mansoon Booklet of WCR, Railway Affecting Tanks (RAT) are given to meet the disaster situation at various vulnerable locations. Mansoon precaution booklet is updated every year by Chief Bridge Engineer WCR/Jabalpur and copy of the same is circulated to all concerned including Engineering control in Divisions and Headquarters. The booklet contains contact details of concerned state Govt, officials to be contacted in case of emergency. During mansoon period regular information is exchanged with them regarding water level in RAT, opening of gates of RAT etc.
3. Copy of NDMA guidelines on Management of Earthquakes (April 2007) and Guidelines on Management of Floods (Jan2008)have already been issued to all concern officials of HQ. and divisions for their information guidance and necessary action.
