- Nomination of welders can be done for entire year well in advance for full utilization of courses. Welders will report to institute along with dangri & safety shoes and may not avail leave during training period. Please ensure seat availability before relieving of staff for training.
As per Railway Board guidelines, welders of Module –I & II to be evaluated on the basis of theory and practical test and awarded Grade A, B, C, & D
Grade "A" for 80% and above marks } 'A & B' Grade welders are eligible to weld all critical welding joints
Grade "B" for 65% to 79% marks }
Grade "C" for 50% to 64% marks } 'C' Grade welders can be authorized in tack welding and gas cutting work only)
Grade "D" for Below 50% } 'D' Grade welders not allowed for welding and should undergo training again to achieve A or B or C – gradation.
- New welder after getting training in Module – I, must continue practice to develop their proficiency in welding jobs.
- During training period mess charges will be borne by trainees.
- Special courses, if required can be organized with prior approval of CWM/CRWS/WCR/Bhopal.
- Welders may be rebooked in refresher course only after completion of 05 years and those due for retirement within 01 year and suffering from chronic disease may not be deputed.
- Availing of hostel accommodation and mess facility is compulsory for all out station trainees.
